September 17-19, 2021
www.fedexfamilyhouse.org/run

FedExFamilyHouse opened its doors in December 2010 to provide free, comfortable accommodations to out-of-town families of children treated at Le Bonheur Children's Hospital in Memphis, Tennessee. Since opening, more than 260,000 family members from all 50 states and around the world have been served. The house features 75 suites and rooms, multiple dining areas, recreational spaces, libraries, fitness room and business centers.

All funds raised through this event will be applied directly to the operating budget of the facility, so FedExFamilyHouse can continue to provide the comforts of home at no cost to families. This year we expect over 1,000 participants from our supporters around the world!
